Welcome

MARK & SYLVIA WOODS

Owners/Operators

Mark and Sylvia Woods have been operating this gospel theater for more than 20 years with an excellent record in performance delivery, customer service, business operation excellence and consistent ministry outreach to our community. We also provide scholarships to deserving students and we offer arts camps and theater support to organizations. Our organization is run on your donations, fundraisers and projects.

Why Sponsor Us

- We consistently give back to our community through the arts, assistance to students, volunteer hours to student summer camps and ministry to those in distress. We mentor up and coming Artists through training, development and exposure at no cost to the Artist for service.
- We are a positive staple in the community always willing to tell someone about the good news of God. We have spread our message through drama ministry to thousands over the 20 years in business. Our ministry topics send healing and encouragement to those in distress with such performance topics as domestic violence, suicide, depression, poverty, peer pressure for youth and more.

We are not ashamed of the gospel it is our purpose. Our ChichiMa Productions motto is *"where we put God in everything we do!"*
